Life beyond sight loss
St Dunstan's since 1915

08 August 2019

Dear Fleet Air Arm Buccaneer Association,

RE: Blind Veterans UK – Llandudno Centre Donation

On behalf of all members and the team here at the Llandudno Centre, please accept our sincere thanks for your generous donation of £250. It is always special to receive such gifts and we are truly honoured that you share our commitment to helping blind veterans.

At Blind Veterans UK, we believe that no-one who has served our country should have to battle blindness alone. Since 1915, our charity (formally known as St. Dunstan's) has provided practical lifelong support to ex-Service men and women, regardless of when they served or how they lost their sight. At our centre in Llandudno, we are dedicated to providing specialist advice, rehabilitation, nursing care, training and equipment for blind and partially sighted ex-Service men and women.

We depend on fundraising donations to support the many services we provide so without contributions such as yours, the number of blind veterans that the charity helps could not continue to grow. You have contributed greatly towards the ongoing success of the charity – **so thank you again for being there for our blind veterans.**

Yours sincerely,

Suzanne Evanson
Regional Fundraising Assistant
